ASC 2017 Hightlights and Extended Deadline (3/3)

American Society for Composites Annual Technical Conference will be held on the campus of Purdue University during Oct. 23-25, 2017. Due to significant request, we decided to extend the abstract deadline to March 3rd. This is a hard deadline. Please submit your abstracts as soon as possible.

ASC 2017 features excellent plenary speakers (JN Reddy, Bruce Engelmann, Wing Kam Liu, and Jan-Anders E. Mansson, see <https://cdmhub.org/groups/asc2017/speakers> for details).

ASC 2017 offers up to 20 travel scholarship (\$800 each) for students (see <https://cdmhub.org/groups/asc2017/scholarship> for details).

Conference attendees will also have an opportunity to tour the GE new LEAP engine plan in Lafayette.
