Global Composites Experts Webinar by Dr. Steve Arnold

cdmHUB invites you to attend the Global Composites Experts Webinar Series.

Title: Practical Developments in Multiscale Modeling of Composites

Speaker: Dr. Steve Arnold

Time: 4/1, 11AM-12PM EST.

Please go to <https://www.purdue.edu/cmsc/events/2020-webinars/> to register for this webinar.

Dr. Steven M. Arnold

Technical Lead: Multiscale Multiphysics Modeling

T3 Project: Material and Structures Discipline Lead

Materials and Structures Division

NASA Glenn Research Center at Lewis Field

Practical Developments in Multiscale Modeling of Composites

April 1, 2021 from 11 am–12 pm Eastern
